SUPERIOR WALL BEDS are standardized SUPERIOR

Our standard mechanisms are the best in the Industry made by MURPHY WALL BED SYSTEMS and backed by a lifetime warranty for the original Owner.

Our standard mattress frame system is made from multi-core plywood stained to match the colour to the rest of the Bed Cabinets.

Our standard 3mm edge tape on melamine and 1.5mm edge tape on wood Plywood makes our cabinetry edges extremely durable.

Our standard Wall Bed leg is 2” higher than the average consumer Wall Bed height making it much easier to get in and out of bed.

Our standard variety gives you the choice to keep all your bedding inside your Murphy Wall Bed . Choices are among the greatest in North America.

Our great service is standard ( just ask our many customers, who will be happy to supply you with references.)

Our standard mattress is supplied by Serta “ The worlds best mattress “

---

In case you need to move your existing Murphy Wall Bed we will be happy to move it for you, if you bought it from us or not.
